2008 SECOND ANNUAL EDUCATIONAL CONFERENCE  
March 15-17, 2008  
Sheraton Richmond West • Richmond, Virginia

CAST YOUR VOTE FOR  
*Teacher of the Year!*

It is time for the fourth Annual Teacher of the Year award. We want to continue and present this award at the Educational Conference in March at the Sheraton Richmond West, Richmond Virginia.

Please take a moment and review all the teachers in your schools. There are so many who work long and hard hours to produce the students in the highest standards. The nominee can be an owner or an instructor. The only criteria is that the school be a member of the Virginia Association of Cosmetology Schools. The board will review the submissions and make the award at the Business Meeting on March 15.

Please submit in writing or by e-mail why this individual should receive Teacher of the Year.
